

CULVERT MAINTENANCE AND REPLACEMENT ORDINANCE NO. 05132014-1

The Town Board of the Town of Walworth, Walworth County, Wisconsin, does ordain as follows:

SECTION 1 Introduction.

1.1 Authority. This ordinance is adopted pursuant to authority conferred by Section 60.22(3), 61.34 and 86.07, Wis. Stats.

1.2 Purpose. It is the purpose of this ordinance to promote the public health, safety, convenience and general welfare by establishing rules and regulations relating to drainage that will preserve and protect Town highways; preserve and protect property values; enhance aesthetics; promote the economical use of Town resources; and promote a healthy living environment.

SECTION 2 General provisions for Culvert Maintenance and Replacement:

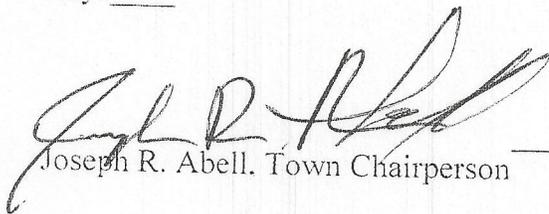

2.1 The Owner of the contiguous property serviced by a driveway shall be responsible for the materials, maintenance and repairs of any driveway culvert in the Town right-of-way, including the removal of yard debris and natural silt accumulation, so that there is no obstruction to the flow of water. In the event an owner shall fail to do so, the Town of Walworth shall give written notice to the owner specifying the materials, maintenance and repair required to be done. If after ten (10) days the owner fails to make such corrections, the Town of Walworth may cause such work to be done, and shall charge the owner with such costs, and if unpaid, charged against the property as a special charge under Section 66.0627, Wisconsin Statutes.
